synopsis:

Is it possible to fully describe Jesus Christ, our King? As many words as we have in the English language, there are still not enough to adequately describe the character and goodness of Jesus Christ, our loving Lord and Savior.

However, one of the best attempts ever made to describe our King came from a wonderful preacher, Dr. S.M. Lockridge. This short video, which combines Dr. Lockridge's eloquent and powerful words along with classic images of Jesus Christ, will strongly touch believers and non-believers alike.

discussion questions:

- To quote Dr. Lockridge, do you know Him today?
- Jesus is matchless in love, strength, power, and knowledge – what are some other attributes of Jesus.
- Who is the King to you?
- What are some of the various names used to identify God in the Bible?
